

Halloween dress up day at school

1 There is going to be a Halloween costume day in school soon.

2 Everyone is allowed to wear a Halloween costume to school. They might look different but they are the same people.

3 I can wear my Halloween costume to school or I can bring a Halloween costume to school in my school bag.

4 If I wear my Halloween costume, I can bring clothes in my school bag so I can change at school later.

5 I can wear clothes that are comfortable for me on Halloween dress up day.

6 Or I can wear my school uniform because that is what I like to wear to school.
