Join our new **BREAKFAST CLUB** for a nutritious start to your day! Boost your child's focus, energy, and mood while connecting with friends. It's the perfect way to set your child up for success!

*****Doors open at 7.45am*****

For more information regarding bookings, please see the school office.

Good afternoon all.

Thank you for your support with the children's uniform. The children look amazing in their blue polo tops, grey skirts/ trousers/ shorts and their blue jumpers. As stated last term, we will be slowly phasing the new logos into the school so please do not worry if your child does not have these yet.

I would like to say a heart-felt welcome to the new reception parents and carers. It has been lovely meeting you on the gate and I have thoroughly enjoyed seeing your children's smiling faces at school. They have been a true credit to you this week. Not only learning the new routines of the classroom, starting to come to assembly, but also staying for lunch as well. We cannot wait to have them learning all day with us. Additionally, welcome to Mr Burgess (Crackmore class teacher) and Mrs Ross (Kingsbury class teacher). I have had so much fun seeing the children learn in your classes over the last couple of days- welcome to the team!

Thank you to Mrs Elkins and Mrs Westwell for all of their hard work setting up our new and improved breakfast club. The children are welcomed into school at 7.45am and are greeted with continental breakfast choices. The children stated to me this week that, *"I love this! We all get to eat around the table together. We chat and get to see our friends"*. For more information regarding booking, please see the school office.

Miss Danyali—Headteacher

Class attendance winners

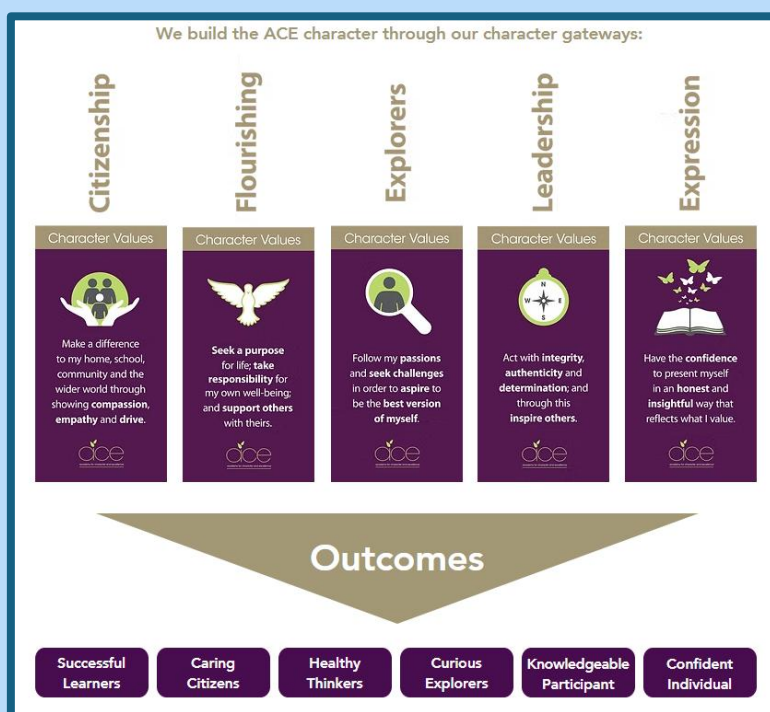

This week's class attendance winners are Venn class.

Learning at Milborne Port

Learning Through Experiences at Milborne Port

At Milborne Port Primary, we learn through rich, meaningful experiences shaped by our ACE Excellence Academy curriculum and our own learning enquiries. Our *Character Education – A Curriculum for Excellence* combines academic knowledge with essential life skills, preparing pupils not just for today, but for the future.

Built on three core values—**pursuit of academic excellence**, **learning how to learn** (including metacognition), and **character development**—our curriculum develops confident, capable, and compassionate learners. Success is measured through six key outcomes that reflect these values, ensuring every child is equipped to thrive, think deeply, and contribute positively to the world.

Our current learning experiences, which are linked to English and science for the next 3 weeks, are based on the following enquiry questions:

Beeches pre-school: Who am I?

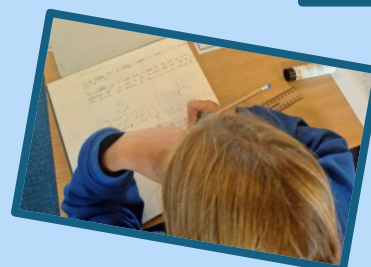

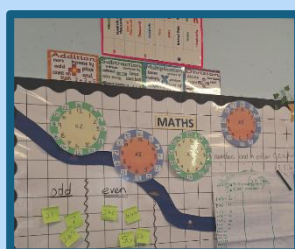

Gainsborough: What makes me special?

Venn: How can we use science to help us build a boat?

Kingsbury: How are rocks and fossils created?

Newtown: How can we prove that magnetism is a force?

Crackmore: Do scientists have a positive impact on our world and why?

Celebration Assembly

Gainsborough: Emma & Nellie

Venn: Cora & Bonnie

Kingsbury: Isla & Jayden

Newtown: Izabel & Olivia P

Crackmore: Edie & Lillie-Anne

Milborne Port Primary School OPEN MORNING

TUESDAY 30th SEPTEMBER
9:30am

Congratulations to Arthur in Kingsbury class. Arthur challenged the norm while making positive changes by discovering something extraordinary!

While he was on holiday this summer, he found a tooth. Initially thought to be from an animal, but was in fact identified later by a volunteer, as human!

This is now thought to be the most southerly prehistoric burial site in Britain.
