My name is _____
and I am in _____ class.

Usually when I go to school, I must wear my school uniform. When we wear our school uniform, we all look the same and we look very smart.

After school has finished, at the weekends or in the holidays, I do not wear my school uniform. At these times, I can wear my own clothes such as jeans or sportswear.

Sometimes at school, they have a special day called non-uniform day. This means that I do not wear my school uniform to school; I can wear my own 'casual' clothes. I can wear my jeans and a favourite T-shirt or sometimes, I can dress up in a costume. It will be fun to go to school in different clothes.

My teachers and parents will help me to prepare for non-uniform days by using a calendar to help me to see when the day is. My parents can help me to choose what I may wear on the non-uniform day.

When it is the non-uniform day, I will look forward to seeing what the other children in my class will be wearing. On non-uniform days, it is OK not to wear school uniform. My teacher, parents and friends will be proud of me for wearing my 'casual' clothes on non-uniform days.
