INSET reminder & Extreme Weather Information

Dear Parents & Carers,

Welcome to 2025! I hope you all had a lovely Christmas and New Year and that you were able to spend time with your families. I just wanted to share a brief reminder that Monday 6th January is an INSET day, meaning that school will be closed to children, unless they have an existing booking at SPARKS, as booking has now closed. We look forward to welcoming the children back on Tuesday 7th January.

Extreme Weather Information:

Our extreme weather information was sent out last term and is available on the school website. As you may be aware, there is further snow predicted for later in the week, particularly on Wednesday evening in to Thursday morning at present. We will make a decision as to whether school will be closed by 7:00am, based on the situation in Wells, but also taking in to consideration the safety of the many staff who travel from outside Wells. We will inform parents via Parentmail emails, a banner on the homepage of the school website and through social media channels, should the school be closed. We understand that this can be frustrating for parents, but we have to consider staff safety and also the staffing levels in school, as very few teachers live within walking distance of the school.

Thank you, as always, for your understanding and support.

Best wishes,

Andrew Shakesby
Headteacher

At Stoberry Park School, the health, safety and wellbeing of every child is our top priority. We expect all staff, Governors, parent/carers and visitors to share this commitment to safeguarding our pupils.
