Doors open at 7.45am

For more information regarding bookings, please see the school office.

Good afternoon all.

First of all, can I say a massive thank you to the staff, children and parents who came, and also attended, parents evening. What a wonderful 2 days it was chatting to you all about your wonderful children and their achievements.

This week we have had the book fair come to visit. It was lovely watching the children select and buy their new wonderful books. Thank you to Mrs Carr and Mrs John for organising this for the children of Milborne Port Primary School. We hope the children enjoy reading them at home and we cannot wait to hear all about the incredible facts, stories and events you have learnt about!

Please remember that the Halloween disco is next week. Tickets can be purchased at the door for £???. Children can dress up in Halloween costumes but we do ask that they are school appropriate and no masks please as these can scare the younger children. The disco will include dancing, hotdogs, sweets, and drinks. Please see the PTFA poster for more information. Thank you to all of the members of the PTFA for organising these amazing events for our children.

As the winter months are drawing in, can I please request that all children bring in school jumpers and coats. Although the weather may seem favourable in the mornings, it can quickly change. We thank you for your cooperation.

Miss Danyali—Headteacher

Class attendance winners

This week's class attendance winners are ?????????????? with ?????% attendance.

Request

We endeavour to collect and hand back all school jumpers, cardigans, P.E. clothes and coats to our children when they have lost them. Please could you ensure that all belongings are named with a first and second name to ensure this can be kept up.

Harvest Festival

A huge thank you to everyone who came to celebrate our Harvest Festival with us! Well done to all of our children and staff who have worked so hard to make today happen. Also, thank you for your kind donations to our local food bank.

Laughton Award

Over the past few years, the **Sue Laughton Award** has held a very special place within our school community. The children truly appreciate its meaning and significance, as Sue once worked alongside them here at school. The award has become a wonderful way of recognising the values and contributions that Sue embodied, and it continues to inspire our pupils year after year.

With the sad passing of Clive, Sue's husband who helped with maintenance, painting and also serving as a Governor for a number of years, we are proud to announce the **relaunch of the award under its new title – The Laughton Award**. This change recognises the incredible dedication and support that the Laughton family has shown to our school over many years. We feel this is a fitting tribute to the lasting impact they have had on our community. We are deeply grateful that the family continues to donate funds, enabling each award winner to choose a special book to take home and treasure. We want to extend our heartfelt thanks to the Laughton family for their continued generosity and care. We are so lucky to have such a supportive community — thank you, thank you, thank you very much!

Wraparound care

Wraparound Care – Important Booking Changes

We would like to inform all parents and carers of some important changes to the way wraparound care bookings are managed. From now on, all bookings must be made **by 12pm on the Friday before the week you wish your child to attend**. This advance booking system allows us to ensure we have appropriate staffing levels in place and can maintain the highest standards of safeguarding for all children attending.

Please note that **bookings made after this time will not be accepted**.

We also now have a **dedicated email address** for wraparound care:

 **wraparoundcare@milborneport.acexcellence.co.uk**

All bookings **must** be made through this email. Any requests made via other email addresses, phone calls, or messages will not be processed. Once you email your booking request, you will receive an automatic reply confirming that your message has been received and that the office will contact you to confirm your booking. This email will also include the **wraparound care mobile number**, which can be used for **urgent contact after school hours only** (please note that bookings cannot be made via this number).

Thank you for your continued support and cooperation as we make these improvements to ensure the safety and smooth running of our wraparound care provision.

Fun at lunch time!

Future Lunchtime Plans – Enjoying the Field All Year Round!

As many of you know, our children absolutely love spending their lunchtimes on the school field during the warmer months. It's such a joyful sight to see them running, playing, and exploring the space together! We're now looking at ways to extend this opportunity into the winter months too, so that the children can continue to benefit from outdoor play all year round.

To help make this possible, we ask that all children come prepared for the winter weather. **EYFS, KS1 and KS2 children will need a pair of wellies**, or **KS2 children may alternatively bring a spare pair of trainers** to change into for field play. However, please be aware that the trainers will become wet and muddy so **ONLY waterproof trainers please**. When the children have brought these into school, we can start out outdoor learning lunchtimes!

We're delighted that our **PTFA are supporting us in our outdoor learning vision** by purchasing a set of wellies and outdoor all-in-one suits for pre-School, reception and KS1. However, to make these plans sustainable and to extend them across the school, we'll need to continue our fundraising efforts. Every contribution makes a difference — together we can make our outdoor spaces accessible and enjoyable all year round!
